

## Christmas Baskets - 2009

Special thanks to our Christmas committee which was made up of volunteers and staff (Pat Gough, Brenda Rahaman-Rambali, Gloria Nobert). A total of 165 Christmas bags were prepared on December 16, and were delivered to our clients on December 17, until December 23, 2009. Each bag was filled with fresh fruits, baked goods, candy canes, juice box, a senior calendar, Christmas card, comb and Christmas decoration. We would also like to extend a thank you to our food suppliers Ellens Health Food and True Davidson Acres for their donation of cookies, Ron McCay for the Christmas cakes, the Girl Guides for making Christmas decorations, to Joan Danard for purchasing the candy canes and juice boxes and Barbara Burke for purchasing the fruit. A special thanks to our volunteers (Diane Graham, Carolynne Fairweather, Jennifer Janes, Maggie Franklin, Marg Gibb, Angela Sabadash and Jennifer Cruickshank) for baking cookies and squares. Thank you to the volunteers who came in on Dec 15, 2009 to assemble the baked goods and those volunteers that assisted on Dec. 16, 2009 to make up the Christmas bags. Thank you to the Full Circle Day Care who delivered gift bags to the Adult Day Program and to all the other volunteers who delivered Christmas bags to our clients. With your help we were able to make life a little brighter for 165 clients during the holiday season.
